RE: 21st Annual **INDIA FESTIVAL** on August 14th, 2016 at Pioneer Courthouse Square

Dear Manager:

India Cultural Association, (ICA) is a non-profit organization based in Portland, Oregon, helping to promote and preserve the Indian culture, heritage, language, while creating cultural awareness. ICA was established in 1980 and is the only organization in the area that represents the entire Indian community.

Every year ICA hosts a large festival showcasing diversity and culture of Incredible India. Regional Arts & Culture Council (RACC) of Portland recognizes the festival as a community event and partially sponsors it through their grant every year.

India Festival is a FREE outdoor festival held at the Pioneer Courthouse Square. The local community gets a glimpse of India's art, culture, history and people through live music, dance, food, clothes and entertainment throughout the day. India is very diverse yet united, ancient yet modern and very majestic.

This year India Festival is scheduled to be held on Sunday, August 14th, 2016. The estimated cost to host and organize the festival is \$29,000. **In order to help ICA make India Festival possible, we need your support.** With more than 50,000 people visiting the Pioneer Courthouse Square each day, and four transit lines surrounding the park, it is the single most visited site in Portland. Sponsorship to our event will help your organization gain excellent public exposure while promoting the message that yours is a diverse work place and an organization that actively supports local communities.
